- EC-4 Generalist 2004
- ESL 2009
- **Inclusion** M.Ed. 2009
- EC-6 Generalist 2011

My career in education began with educational interpreting for deaf students in mainstream classes in 1989. In 1992, I returned to college and began to pursue my Deaf Education degree. I began teaching in 1999 on an emergency permit. During the summer months, I have often enjoyed teaching 2nd grade regular education. My 2009-10 school year was spent teaching 1st grade and my 2010-11 year was with 3rd grade where we earned exemplary performance. I love the age and curriculum of third grade. The energy, interest and passion I have

for education runs high. Student success is very important to me and I frequently go outside "The Box" to ensure student achievement and enjoyment in the learning process. While with 3rd grade we performed at 100% passing for the TAKS Reading and 98% passing for

the TAKS Math assessment with 50% achieving commended status. In 2010-2013 I taught at the secondary level all core content areas grades 9-12 hearing impaired students. Beginning 2013 my focus has been with elementary reading fluency and comprehension.

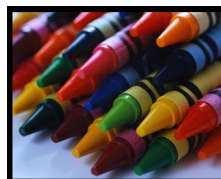

My services include working as a Navarro County Child Advocate, Formerly served with Camp of the Rising Sun and served as CHS Boy's Soccer Booster Club Treasurer for 4 years.
